To be eligible for Journese Best Price Guarantee (BPG), all components of the vacation to be matched must be identical, including airline, air class of service, hotel, hotel room category, meal plan, airport/hotel transfers, rental car, activities, arrival date, length of stay and add-on features. BPG is valid for new, same-day bookings only. Valid against U.S.-based competitor's final price including promo codes when all vacation components match. Matches against membership clubs and other select online vacation companies/reservations are subject to review and all components, including commission, may not be matched. Only one price match eligible per booking. Travel protection is considered separate from price matches due to variances in plan benefits. BPG does not apply to agent bookings redeeming TRIP Points. Some restrictions may apply. This offer is subject to change or cancellation at the discretion of Journese.
